📍 Hamilton | **Open Work Visa till March 2026** | **Willing to Relocate**

Summary

"I turn passion into action and ideas into solutions, with a smile on my face and a spark in my eye."

I am not just your average Full Stack Software Engineer; I'm the architect of innovation and creativity. With a knack for transforming ideas into user-friendly, dynamic web experiences, I bring over two years of expertise in front-end and back-end technologies, always with a can-do attitude.

Technical Skills

"Just like in badminton, I aim for precision and agility in every project I tackle."

Languages & Frameworks

JavaScript, Ember.js, Node.js, Ruby on Rails, HTML, CSS, C++, Python, React.js, Rspec Testing Framework, MVC Framework, Continuous Integration (CI) tools, ETL Processes, REST APIs, Oracle BI tool and Power BI, Microsoft Excel, WordPress

Tools & Services

Git, GitHub, Visual Studio Code, RubyMine, OAuth 2.0, MongoDB, MySQL, PostgreSQL

Experience

"I believe in the rhythm of collaboration, where every step counts towards success."

Business Development Executive & Developer
AffordIT Limited, Auckland, New Zealand

June 2024 - Present

- Spearheaded business development strategies, blending my technical skills with business acumen.

- Developed and launched dynamic features for responsive websites, ensuring optimal client satisfaction.

- Played a dual role by actively contributing to coding tasks, while also driving business growth.

Software Developer
AffordIT Limited, Auckland, New Zealand
June 2024 - Present

- Designed and developed cutting-edge features for websites, ensuring a seamless user experience.

- Collaborated with QA teams to maintain the highest quality standards before deployment.

- Engaged with clients to align on expectations, ensuring project goals are met effectively.

Checkout Operator (Part-Time)
Countdown, Hamilton, New Zealand
July 2024 - Present

- Mastered the art of multitasking while handling checkout operations efficiently.

- Provided excellent customer service, ensuring a positive shopping experience.

Software Engineer
Freshworks Inc., Bengaluru, India
Aug 2022 – Feb 2024

- Crafted and optimized website features using Ruby on Rails and React.js, enhancing performance by 55%.

- Worked closely with clients to troubleshoot and resolve issues, ensuring a smooth user experience.

- Worked with testing framework to ensure quality of application before releasing it to production.

App Dev Engineer
NCR Corporation India Pvt. Ltd., Gurugram, India
Jan 2022 – July 2022

- Designed and implemented data models and ETL processes, ensuring accurate and reliable BI reporting.

- Collaborated with business analysts and stakeholders to understand their reporting and analytical requirements.

- Documented the design, development, and deployment processes to ensure that the BI solution is well- documented and easy to maintain

Achievements

"In both code and choreography, I embrace challenges and turn them into art."

- Automated testing frameworks, slashing manual testing time by 50%.

- Resolved a critical production issue within 2 hours, saving potential revenue loss.

- Received 'Innovator of the Year' award for exceptional performance and creativity in problem-solving.

- Optimized database queries and caching, reducing server response time by 50%.

- Mentored junior developers, increasing team productivity by 20%.

- Collaborated to overhaul user interface, increasing user engagement by 25%.

Education

" I have a love affair with code—solving problems and creating solutions is my passion."

Bachelor of Technology
Chandigarh Group of Colleges, Punjab, India
Jul 2018 – Apr 2022 | 7.82 CGPA

Soft Skills

"Curiosity fuels my journey, and innovation drives my passion—every challenge is an opportunity to grow".

Leadership | Strategic Thinking | Problem-Solving | Communication | Adaptability | Creativity | Time Management | Collaboration | Empathy

Fun Fact

"When I'm not coding, you can find me dancing—because creativity knows no bounds."

I'm a badminton player who codes by day and smashes birdies by night!
